

CONSISTENCY AMID COMPLEXITY: NAVIGATING THE FUTURE OF PENSIONS

PRELIMINARY PROGRAM

The International Network for Pensions, Aging, and Retirement Research (INPARR) is hosting its third annual conference at the OECD Headquarters, Paris in June 2018. The theme for this year's event is Consistency amid Complexity: Navigating the Future of Pensions and Retirement.

INPARR is a collaboration between CEPAR, the Pension Research Council at the Wharton School of the University of Pennsylvania (USA) and Netspar at Tilburg University (The Netherlands). INPARR has as its mission the promotion and advancement of high-quality social science research on pensions, ageing, and retirement.
