### ENABLING ACTIVE AGEING

The Ageing, Work & Health Research Unit at the Faculty of Health Sciences is pleased to host the 12th National Emerging Researchers in Ageing Conference in 2013.

This is the only national conference in Australia focusing exclusively on the work of higher degree research students undertaking research in ageing across a range of disciplines. Now in its twelfth year, the conference presents a unique opportunity for higher degree research students to come together to share their research.

### CALL FOR ABSTRACTS

We warmly invite the submission of abstracts for oral and poster presentations from PhD, Masters and Professional Doctoral students engaged in ageing-related research from any discipline.

The call for abstracts is now open and will close on Friday 12 July. A copy of the submission guidelines and abstract template are available on the conference website at <http://sydney.edu.au/health-sciences/early-research-ageing/>. All abstracts should be submitted to [era2013abstracts@era.edu.au](mailto:era2013abstracts@era.edu.au).
